

Welcome to LeadTogether

This is a new site created to support the collaboration of individuals in leadership positions in Waldorf schools and institutes. The site is free to join if you are a leader in a Waldorf school - a trustee, faculty member, staff, or parent council leader.

Here is a quick tour.

The home page looks like this and has lots of information and links to articles, people and resources. Under **IN FOCUS** you will find **the most recent lead article from the monthly newsletter**, followed by **related articles**. You can scroll down to see past posts. Each month, a set of articles focusing on a new theme will be posted and articles from the past month will be found in the resource library.

The screenshot shows the LeadTogether website home page. At the top is a navigation bar with the site logo 'LeadTogether' and the tagline 'Collaboration, Leadership & School Development'. The main content area is divided into several sections: 'EXCHANGE' (collaborative forums), 'FORUM LOGIN' (with a 'Log Out' button), 'CO-LAB FORUMS' (listing Trustee, Admin, Faculty, Parent Council, and Development forums), 'RESOURCE LIBRARY' (with a search bar), and 'NEWSLETTER ARCHIVE' (showing February 2014). On the right side, the 'IN FOCUS' section features a 'FROM THE NEWSLETTER' article titled 'LeadTogether: The Practice of Collaboration' with a photo of a building under construction. Below it is a 'FEATURED ARTICLES' section with an article titled 'The Basic Qualities of Collaboration' and a photo of a hallway.

The lead article from the newsletter is here. Each newsletter will have a new theme.

Other articles relating to the monthly theme are here.

NEWSLETTER ARCHIVE

In the left column, you will **find forums** where colleagues can exchange ideas and information. You can become a member of a forum after you register – to register, click on **Join** in the masthead. In the forums you can post questions, comment and respond to posts and share resources. Our intention is to let you decide how often you want to hear when something is posted.

On the left you also will **find the place to log in**. If you check “remember me” you should be logged in automatically when you return to the site.

There is also a place to **search the library**, or you can go to the **Resources** tab in the masthead and click on it to go to the library.

And you can find any **past newsletter** here.

At the bottom you will find **links** to other related sites, a **listing of recent jobs** posted on Waldorf Today and a **place to donate**.

The other pages are all self-explanatory. Email us if you have a question.
